Dear Scott,

Congratulations! You have been granted

GOTS (Global Organic Textile Standards) version 5.0 Certification for

Product	Category
Organic Cotton T-shirts	100% Organic Cotton
Organic Cotton Shorts	100% Organic Cotton

Organic Content Standard (OCS) Blended version 2.0 Certification for

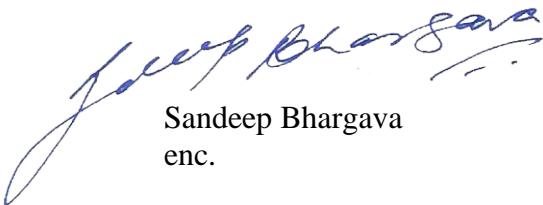

Product	Category
Hemp Cotton T-Shirt	Made with 40% Organically Grown Cotton and 60% Hemp
Organic Cotton Poly Hoodies	Made with 80% Organically Grown Cotton and 20% Polyester
Organic Cotton Poly Crew Neck Sweatshirt	Made with 80% Organically Grown Cotton and 20% Polyester

Overall your operation is in compliance with these standards. There are no compliance issues at this time. Your certificate is enclosed. Please examine the certificate carefully to be sure that all information is listed correctly.

An organic system plan update is due each year followed by an on-site inspection to verify continued compliance. Your next annual update is due on **November 22, 2020**.

Please feel free to call us with any questions and remember to notify us of any changes made in the operation.

Best regards,

Sandeep Bhargava

Important Notes: -

- The process for renewal of certification shall start 2 months before the due date so that the renewed certificate validity is not reduced.
- Transaction Certificates must be requested within 6 months of the transaction of the goods. After which the TC shall not be entertained.
- Transaction Certificates shall be issued by OneCert within 3 working days after all the correct documents are received. If there are any issues with the documents submitted, the TC may be delayed.
- TC's shall be issued only for those products that are present in your scope certificate. If you plan to increase your product range, you must inform OneCert by submitting the product addition form and updated product list, so that the scope certificate can be updated.
- Please visit the GOTS & TE websites regularly for updates.
- Please be careful about the production capacity of the unit.
- Approved Storage Capacity for Finished material is --- verified by inspector for organic trading and you need to inform OneCert if your storage capacity increased/decreased. An additional inspection will be conducted for verification and approval this is specifically for Ginning Units.
- Prior to using any of the GOTS, OCS, GRS, RCS & OneCert logos you must get approval from OneCert. To initiate the process, please submit the Label Release Form.
- Please inform us immediately of any changes in facility or processes.
